

CELL LEADER'S GUIDE: 6th February 2019

To be used by the leader of the cell meeting only

Ice breaker: Who is your greatest visionary leader? Share two things you've learnt from their leadership.

Worship: Prepare 2 songs before cell, send a text to the cell members to get the lyrics and ask someone to lead as you sing and worship together.

Faith Over Fear: vision!

Text: Proverbs 29:18, Matthew 16:15-17, Jeremiah 29:11

1. Why is it important to hear from God concerning a vision for your life?
2. A God-given vision often comes with great sacrifice and that's why we need to have "**FAITH OVER FEAR**". Share some challenges we are going to have to overcome by faith in the pursuit of God's vision for our lives, families, church, community, and nation.
3. As we learnt from last weekend's sermon, God has given us a great vision as Watoto Church. Make some commitments as an individual and a cell on how you will increase your participation in the Watoto vision this year.
4. Pray for God's enablement for us to achieve our personal, Church and community visions.
